Contract type: 4 Months

Number of interns: 13 positions

Location: Kampala

Oxfam is a global movement of people working together to end the injustice of poverty.

That means we tackle the inequality that keeps people poor. Together we save, protect and rebuild lives. When disaster strikes, we help people build better lives for themselves, and for others. We take on issues like land rights, climate change and discrimination against women. And we won't stop until every person on the planet can enjoy life free from poverty.

We are an international confederation of 19 organizations (affiliates) working together with partners and local communities in the areas of humanitarian, development and campaigning, in more than 90 countries.

All our work is led by three core values: Empowerment, Accountability, Inclusiveness.

Oxfam in partnership with International Foundation for Recovery and Development (IFRAD) and African Youth Development Link (AYDL) under the Youth Engagement and Empowerment Project (YEPP) is recruiting graduate interns to be supported with hands on experience in different fields.
